

This branch is closing but your bank is always open

Our Becontree branch is closing
on 13 November 2015

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 78% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 43% of this branch's customers have been using neighbouring branches
- Only 156 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Jon Clowes
Enfield & Romford Community Leader

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP

Margaret Hodge

Local Councillors

Cllr Evelyn Carpenter

Cllr Frank Choudhury

Cllr James Ogungbose

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were no specific concerns about the closure as there is another Barclays branch a few hundred yards away.

We'd like to say:

We are pleased that customers can use an alternative branch that is close by.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

Small business customers who only use the Becontree branch will have to travel slightly further to our other branches for their everyday banking.

We'd like to say:

Many of our customers are already using our Becontree Heath branch. We've spoken directly with customers most likely to be affected by the closure to help them with alternative ways of banking, including telephone banking to speak to someone in person.

For those customers who don't want to travel, we have made sure they're familiar with the Post Office arrangement. The Post Office is open until 5.30pm during the week, and until 4.30pm on Saturdays - which may be more convenient.

We've also been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Some customers may need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events in the branch to show customers other ways to bank, as well as how to set up a regular payments and order cards and PINs. Support is always available through our telephony and website services. We are making sure all our customers are aware of what they can do at the Post Office too.

Other things to help with the change...

At the Post Office, both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Becontree branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

Personal customers can pay in cash using just a pre-printed paying-in slip, and withdraw cash using a debit card and PIN. If you're a business customer, please check with the Post Office whether you can deposit and withdraw cash.

There are more ways to bank locally

We want to be there for you wherever and whenever you need us so we offer many other ways for you to do your banking.

If you usually:

Visit an in-branch counter to deposit your cheques

If you usually:

Make a trip to a branch to check your balance, pay bills, transfer money and order chequebooks

If you usually:

Make a trip to a branch to withdraw cash at the counter

Why not try:

Using the Post Office – you can pay in cash and cheques whilst you post your parcels or buy your stamps
