

## This branch is closing – but your bank is always open

Our Castle Cary branch is closing  
on Friday 27 October 2017

Branch closure feedback and alternative ways to bank.

## Sharing branch closure feedback

We're now nearing the closure of the Castle Cary branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

### We contacted the following groups:

#### MP

Mark Warburton

#### Local Council

Cllr. Barry Moorhouse

Cllr. Nick Weeks

Cllr. Henry Hobhouse

#### Customers

A number of customers who regularly use the branch

### We asked all of the groups to answer three questions. You'll find their responses below.

#### In your opinion, what's the biggest effect that this branch closing will have on your local community?

##### You said to us:

There are some concerns about the impact of the closure on the town, particularly for businesses who need access to cash services.

##### We'd like to say

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, as well as to make sure businesses can still access cash, we are explaining to customers how they can do their everyday banking at the Post Office, and helping them understand the transactions they can do there. This is open between 9:00am and 5:30pm Monday, Tuesday, Wednesday and Friday, although it's closed for lunch between 1:00pm and 2:00pm. It's open without a break from 9:00am to 1:00pm on Thursday and from 9:00am until 12:30pm on Saturday.

We are actively exploring retaining our ATM for a further period after the branch closes to support the community, and once we have confirmed the arrangements we will share the details locally

There is a free to use cash machine very nearby at McColl's and two further free to use ATMs are available in Bruton, at Budgens and the Bruton Convenience Store.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There are concerns about customers who will miss being able to use the cash machine, and those who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel.

#### We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, particularly for taking out cash.

For customers who are able to travel, the nearest branches are at Sherborne and Wells. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often. We've also been speaking to customers in the branch to make sure they are aware of all the alternative arrangements available to them when we close.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

Customers will need help if they are to adopt new banking methods.

#### We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. As well as these sessions, we're offering more help in the branch whenever it's needed. Support is also available through our telephony and website services.

## Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip at the Castle Cary and North Cadbury Mobile Post Offices, although it could take an extra two days to reach Barclays accounts using a paying in slip. Unfortunately this service is not currently available at the Bruton Post Office.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Castle Cary branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
