

## This branch is closing – but your bank is always open

Our Craven Arms branch is closing  
on Friday 6 October 2017

Branch closure feedback and alternative ways to bank.

## Sharing branch closure feedback

We're now nearing the closure of the Craven Arms branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

### We contacted the following groups:

#### MP:

Phillip Dunne

#### Local Council

Peter Nutting – Shropshire Council  
Mr C E Williams – Craven Arms Town Council  
David Evans – Councillor  
David Mills – Councillor  
Lee Chapman – Councillor

#### Local groups

David Evans, Tim Jones, Duncan Law, Steve Jones  
– Campaign Against Craven Arms Bank Closure Group

#### Customers

A number of customers who regularly use the branch

### We asked all of the groups to answer three questions. You'll find their responses below.

#### In your opinion, what's the biggest effect that this branch closing will have on your local community?

##### You said to us:

There were many concerns about the impact of the closure on the town. It is a cash-dependent local economy and will be badly affected by the loss of Barclays' ATM, as this is the only one in town that provides 24-hour access to cash. The branch is the last bank in the town, and businesses in Craven Arms are concerned that they will suffer a loss of trade. They feel they have already seen this during times when the bank has introduced day closures.

##### We'd like to say

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are explaining to customers that they can do their everyday banking at the Post Office, which is open between 07:00 and 22:00 five days a week and until 14:00 on Saturdays. We're helping customers understand the transactions they can do there.

There is an ATM nearby at Delves and Co (Harry Tuffins supermarket) in the Craven Centre. We continue to explore the possibility of retaining a Barclays ATM presence in the town after the branch closes to support the community, and once we have confirmed the arrangements we will share the details locally

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel. There is a large population of elderly people in the town, and not everyone has access to or wishes to use broadband.

#### We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, and are speaking to the Post Office about the services they can make available to Barclays customers. We are assessing further what support we could provide to help ensure the Post Office is a viable option for personal and business customers if they wish to transact in this way.

For customers who are able to travel, the nearest branches are at Church Stretton and Ludlow. However, we understand it's not always convenient or possible to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

Customers will need help if they are to adopt new banking methods, particularly since the mobile signal is patchy and broadband is locally slow.

#### We'd like to say

We are contacting customers to help them to do their everyday banking, where possible, using Mobile and Online Banking – and Telephone Banking if mobile and broadband are a problem. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. Support is also available through our telephony and, where customers can use it, our website services.

## Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Craven Arms branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

# Ways to bank

We want to make staying in control of your everyday banking as easy and convenient as possible. Over the years, we've introduced many ways you can bank without having to come into a branch.

## Barclays Mobile Banking

Transfer money between accounts and keep a check on your balances. If you need to, you can call us directly from the app too. The Barclays Mobile Banking app is free to download from your app store.

## Online Banking

Do all your everyday banking tasks from your home computer. We use the most advanced security systems to keep your details safe and our Online and Mobile Banking Guarantee protects you from fraud. To register, just call 0345 734 5345\*.

## Telephone Banking

Available 24 hours a day, seven days a week. You can hear your balance, check transactions, pay bills and transfer money. You can speak to an adviser about your banking needs too. To register, just call 0345 734 5345\*.

## Barclays Pingit

Sending money is secure and instant with no need to share bank account details. You're automatically protected in the event of fraud as long as you've used the services correctly. The Barclays Pingit app is free to download from your app store.

## The Post Office

All customers can pay cash in, withdraw cash and check balances using their Barclays debit card and PIN at thousands of Post Office branches across the country.

All customers can also pay cash and cheques into a Barclays account using a personalised paying-in slip. For cheques, you'll also need a cheque deposit envelope. You will need to allow two extra working days for cash or cheques to reach your Barclays accounts using a paying-in slip.

Transaction charges for Business transactions will apply.

## Link cash machines

Withdraw cash free of charge at any cash machine displaying the Link sign. You can check your balance, top-up your mobile phone, print off a mini statement and request a receipt too.
