

This branch is closing – but your bank is always open

Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Llandysul branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Ben Lake

AM

Elin Jones

Local Council

Cllr. Nia Davies

Town Clerk, Llandysul Community Council

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the impact of the closure on the town.

We'd like to say

Although some concerns have been voiced to us, we would like to reassure the community that we looked carefully at how this branch is used, before we made the decision to close. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are explaining to customers how to do their everyday banking at the Post Office, which is open between 9:00am and 5:30pm five days a week and until 12:30pm on Saturdays. We're helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

There are free to use ATMs nearby at Spar, Valley Services and the CK Supermarket.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may find it difficult to adapt to new technology, and around fraud awareness if they are to bank online.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, and we've been offering support from our Digital Eagles to help customers bank securely online.

For customers who are able to travel, the nearest branches are at Newcastle Emlyn and Lampeter.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. These events have also included fraud and scam awareness. Support is also available through our telephone and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Llandysul branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
