Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Verwood branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Simon Hoare

Local Council

Verwood Town Council
Mrs V Bright (Town Clerk)
Cllr. T B Coombs
Cllr. Spencer Flower
Cllr. Steve Butler
Cllr. Simon Gibson
Cllr. Paul Mortimer

Customers

A number of business and personal customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

Apart from concerns about what would happen to the branch staff, there were some concerns from members of the local community about the impact of the closure on the town.

We'd like to say

We would first of all like to reassure the community that all the staff are being relocated to nearby branches. Although there were few other concerns, we would like to reassure people that before the closure decision was made, we looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

We are explaining to our customers how they can do their everyday banking at the Post Office, which is open between 8:30am and 5:30pm five days a week and from 9:00am until 2:00pm on Saturdays. We're also helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

The town remains well-served with cash machines. Lloyds, Morrisons and Tesco have cash free to use ATMs close by.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend on the branch – for example, elderly customers and people who may find it hard to travel. There were also some concerns expressed about having to queue at nearby branches.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too.

For customers who are able to travel, the nearest branches are at Ringwood and Ferndown. However, we understand it's not always convenient to travel and some people wish to avoid any queues. So we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We are running 'Tea and Teach' events in the local community to show customers other ways to bank, and working with customers face to face to make sure they have alternative arrangements they are happy with. We are also showing them how to set up a regular payment and order cards and PINs. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip at the Verwood and Cranborne Post Offices. Unfortunately this service is not currently available at the Three Legged Cross Post Office.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Verwood branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

You will need to allow an extra two days for cheques to reach your Barclays accounts.
