

## This branch is closing – but your bank is always open

Our Billingshurst branch is closing  
on Friday 24 November 2017

Branch closure feedback and alternative ways to bank.

## Sharing branch closure feedback

We're now nearing the closure of the Billingshurst branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

### We contacted the following groups:

#### **MP**

Jeremy Quinn

#### **Local Council**

Billingshurst Parish Council

#### **Customers**

A number of customers who regularly use the branch

### We asked all of the groups to answer three questions. You'll find their responses below.

#### **In your opinion, what's the biggest effect that this branch closing will have on your local community?**

##### **You said to us:**

There are some concerns about the impact of the closure on the village and the loss of trade to businesses.

##### **We'd like to say**

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are encouraging people to do their everyday banking at the Post Office, which is open between 9.00am and 5.30pm Monday to Friday and between 9.00am and 4.00pm on Saturdays. We're helping our customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home, too.

The village remains well-served with cash machines, with free to use ATMs within 200 metres at NatWest, Sainsburys and Lloyds.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel. The Post Office is not as convenient to use as it has no automatic door and parking is restricted. Business customers and local organisations will find it difficult to get cash when they need it.

#### We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, and are checking that customers with mobility difficulties have good alternative banking arrangements. We're also working with local businesses to make sure they are aware of the alternatives available to them.

For customers who are able to travel, the nearest branches are at Horsham Carfax and Storrington. However, we understand it's not always convenient to travel, so we've been offering support to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

Customers will need help if they are to adopt new banking methods.

#### We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have set up a 'Tea and Teach' event at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. We're working one to one with some customers. Support is also available through our telephony and website services.

## Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip at the Billingshurst and Wisborough Green Post Offices. Unfortunately this service is not currently available at Barns Green Post Office.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Billingshurst branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

You will need to allow an extra two days for cheques to reach your Barclays accounts.
