

## This branch is closing – but we're still here to help

Our Bow branch is closing  
on Friday 7 June 2019.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Bow branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Jon Clowes, your Market Director for Local East.

**We contacted the following groups:**

**MP:**

Jim Fitzpatrick

**Local council:**

Councillors Dan Tomlinson and Zenith Rahman from Tower Hamlets Borough Council

**Customers:**

A number of customers who regularly use the branch.

A local petition in response to the closure was raised and handed into the branch, containing a small number of signatures

**We asked each of the groups 3 questions – here's what they said:**

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns raised about the possible impact the closure may have on the community, particularly the convenience of the branch and the loss of the face-to-face service.

**We'd like to say:**

We understand the concern from the community, and there are a number of ways for all our customers to continue their everyday banking. We'd also like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. Many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Bow – it's open Monday and Friday between 7:30am and 6pm, Tuesday and Thursday between 7:30am and 5:30pm, on Wednesday between 8am and 5:30pm, on Saturday between 9am and 1pm, and on Sunday between 1pm and 5pm. We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at Co-op, NatWest and the Post Office – all are free to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, local businesses who rely on the branch for cash, and those who find it difficult to travel.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure all of customers are familiar with using their local Post Office, too. We're working with the Post Office to make sure they're prepared for more customers from Barclays.

For anyone who's able to travel, the nearest branches are on Roman Road and in Poplar, both of which are less than a mile and half away. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking, including how they can bank from home, so they don't need to use a branch as often.

We're contacting business customers who use the branch and we're speaking to them individually about alternative ways to withdraw and pay in cash, including Barclays Collect, our cash collection service, and the services available to them at the Post Office.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Bow branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
