This branch is closing –
but we’re still here to help

Our Bromborough branch is closing
on Friday 5 June 2020.

Branch closure feedback, and alternative ways to bank
Sharing branch closure feedback

We’re now nearing the closure of the Bromborough branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we’ve spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on 0345 7 345 345². You can also go online to barclays.co.uk/waystobank to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Adrian Davies, your Market Director for Local West.

We contacted the following groups:

**MP:**
Alison McGovern

**Local council:**
Councillors Jo Bird, Irene Williams and Joe Walsh, Bromborough ward

**Customers:**
A number of customers who regularly use the branch

Please note:
Because of the coronavirus situation, we’ve temporarily closed or changed the regular opening hours of our branches. The Bromborough branch is one of the branches we’ve temporarily closed – we’re sorry for any inconvenience. You can still get in touch with us using the information on page 2.

We asked each of the groups 3 questions – here’s what they said:

In your opinion, what’s the biggest effect that this branch closing will have on your local community?

You said to us:
Some customers were concerned about what will happen to the staff, and whether they would be losing their jobs. Some people were also concerned about what will happen to the empty building.

We’d like to say:
We understand the concerns about the closure – and we’d like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We’ve seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Bromborough – it’s open Monday to Friday between 8.30am and 3.00pm, on Saturday between 8.30am and 12.30pm, and on Sunday between 5.30am and midday (subject to change). We’re helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

We understand the concern from the community with regards to the premises and, as soon as we’ve vacated them, we’ll hand them over to our property agents – we hope they can find a new use for them soon.

We’d also like to reassure the community that all our staff are being relocated to nearby branches.

There are cash machines nearby at HSBC, Nationwide and Lloyds – all are free to use.
What’s the biggest effect that this branch closing will have on customers of the branch?

You said to us:
The closure of the branch means that there will be fewer banks in town, which could make banking less convenient. Some residents were also concerned that they’d face penalties for moving their accounts to another bank with a local branch.

We’d like to say:
We’re speaking individually to those customers most likely to be affected by the closure, and we’re helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking.

We’re making sure customers are familiar with using their local Post Office, so they can carry on banking with us, without needing to travel outside the community. We’re also working with the Post Office staff to ensure they’re ready for the extra demand when our branch closes.

We’re working with our business customers to make sure they have alternative arrangements, including the use of Barclays Collect service to pick up cash, where appropriate.

We’d like to reassure customers that there are no charges or penalties for moving their current accounts to another bank, but we hope they choose to stay with us.

For anyone who’s able to travel, the nearest branches are in Birkenhead and Ellesmere Port. We understand it’s not always convenient to travel, so we’ve been offering support from our branch’s Digital Eagles, to help customers adapt to new ways of banking – so they don’t need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:
The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We’d like to say:
We’re encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there’s the Post Office and Telephone Banking for those who prefer to speak to someone.

We’ve run ‘Tea and Teach’ events over the phone to tell customers about other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We’ve also shown customers how to order cards and PINs and we’re helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.
