

This branch is closing – but we're still here to help

Our Egham branch is closing
on Wednesday 16 June 2021.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Egham branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**².

We contacted the following groups:

MP:

Dr Ben Spencer

Local council:

Runnymede Borough Council – councillors
Brian Anthony Clarke, Alan Alderson and Isabel
Mullens

Community groups:

Egham Day Care and Residential Centre

Customers:

A number of customers who regularly use the
branch

**We asked each of the groups 3 questions –
here's what they said:**

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There were some concerns that the branch
closure may have an impact on the way both
businesses and personal customers can bank.
There were also concerns about small business
customers who rely on there being a branch in
town, particularly for cash transactions.

We'd like to say:

We understand the concerns about the
closure – and we'd like to reassure everyone
that, before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

To keep a community focus and to ensure trade
stays in the local area, everyday banking can
be done at the Post Office in Egham – it's open
Monday to Friday between 8am and 5.30pm,
and on Saturday between 9am and 2pm. We're
helping our customers understand which
transactions they can do there, how to bank
from home or their business premises and
offering them support through this transition.

We're speaking to our business customers
about other ways to withdraw and pay in cash,
including Barclays Collect, our cash collection
service, and the services available to them at
the Post Office.

There are cash machines nearby at Nationwide,
NatWest and Texaco – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel. The branch offers customer parking, and there were concerns that customers may find it difficult to park at branches that are further away.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too. This has included accompanying some customers to the Post Office to make sure they're happy with what they can do there.

For anyone who's able to travel, the nearest branches are in Staines and Ashford, and although there are no parking facilities at these branches, there are public car parks nearby, and free on street parking at Ashford. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run individual and small group 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Egham branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign³

*Lines are open 24 hours a day, 7 days a week
