This branch is closing – but we’re still here to help

Our Liverpool University branch is closing on Friday 29 January 2021.

Branch closure feedback, and alternative ways to bank
Sharing branch closure feedback

We’re now nearing the closure of the Liverpool University branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we’ve spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on 0345 7 345 345. You can also go online to barclays.co.uk/waystobank to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on 0345 7 345 345.

We contacted the following groups:

**MP:**
Kim Johnson

**Local council:**
Liverpool City Council – councillors Christine Banks, Nick Small and Sharon Sullivan

**Customers:**
A number of customers who regularly use the branch

We asked each of the groups 3 questions – here’s what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

**You said to us:**
There were some concerns that the branch closure may have an impact on the way both businesses and personal customers can bank.

**We'd like to say:**
We understand the concerns about the closure - and we’d like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office at the university – it’s open Monday to Friday between 10am and 5pm. We’re helping our customers understand which transactions they can do there, how to bank from home or their business premises and offering them support through this transition.

**You said to us:**
There are cash machines nearby at Santander, Tesco and HSBC – all are free to use.
What’s the biggest effect that this branch closing will have on customers of the branch?

You said to us:
The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face, including our international students.

We’d like to say:
We’re encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there’s the Post Office and Telephone Banking for those who prefer to speak to someone. We’ve also been working with the University International Admissions team.

We’ve run individual and small group ‘Tea and Teach’ sessions and Virtual Digital Seminars to show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We’ve also shown customers how to order cards and PINs and we’re helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Lord Street branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we’ll pop some in the post

- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign.

*Lines are open 24 hours a day, 7 days a week.
