

## This branch is closing – but we're still here to help

Our Derby Sir Frank Whittle branch is closing  
on Friday 13 September 2019.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Derby Sir Frank Whittle branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Joe Appleton, your Market Director for North Midlands.

Email: [joseph.appleton@barclays.com](mailto:joseph.appleton@barclays.com)

We contacted the following groups:

**MP:**

Margaret Beckett

**Local council:**

Derby City Council

**Customers:**

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns that the branch closure may have an impact on the way both business and personal customers can bank, especially those customers who have already moved their banking to this branch because of other branch closures nearby.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

Everyday banking can be done at the Post Office with the nearest one at Sussex Circus in Chaddesdon – it's open Monday to Friday between 8am and 6pm, and on Saturday between 9am and 5:30pm. We're working with staff at the Post Office and we're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at Aldi, Morrisons and NatWest – all are free to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

The branch offers convenient customer parking, and there were concerns that customers may find it difficult to park at branches that are further away.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're also making sure customers are familiar with using their local Post Office.

We're working with our business customers to make sure they have alternative arrangements in place, including the use of Barclays Collect service to pick up cash or paying in cheques using the Barclays app or at the Post Office.

For anyone who's able to travel, there's a branch in St Peters Street and another in Allenton. Although there are no parking facilities at these branches, there are public car parks nearby and at Allenton there's some limited free on-street parking. However, we understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking. This means they don't have to come into a branch as often and can continue to bank when the nearest branch isn't open.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may not want to bank online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Derby Sir Frank Whittle branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week

# Ways to bank

We want to make staying in control of your everyday banking as easy and convenient as possible. Over the years, we've introduced many ways you can bank without having to come into a branch.

## Barclays Mobile Banking

Transfer money between accounts and keep a check on your balances. If you need to, you can call us directly from the app too. The Barclays Mobile Banking app is free to download from your app store<sup>1</sup>.

## Online Banking

Do all your everyday banking tasks from your home computer. We use the most advanced security systems to keep your details safe and our Online and Mobile Banking Guarantee protects you from fraud. To register, just call 0345 734 5345<sup>2</sup>.

## Telephone Banking

Available 24 hours a day, seven days a week. You can hear your balance, check transactions, pay bills and transfer money. You can speak to an adviser about your banking needs too. To register, just call 0345 734 5345<sup>2</sup>.

## Barclays Pingit

Sending money is secure and instant with no need to share bank account details. You're automatically protected in the event of fraud as long as you've used the services correctly. The Barclays Pingit app is free to download from your app store<sup>3</sup>.

## The Post Office

All customers can pay cash in, withdraw cash and check balances using their Barclays debit card and PIN at thousands of Post Office branches across the country.

All customers can also pay cheques into a Barclays account using a personalised paying-in slip and a cheque deposit envelope. You will need to allow two extra working days for cheques to reach your Barclays accounts.

Transaction charges for Business transactions will apply.

## Link cash machines

Withdraw cash free of charge, check your balance and request a receipt at any cash machine displaying the Link sign. You can also print off a mini statement at Barclays cash machines.
