Branch closure feedback and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Eston branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Anna Turley

Local Council

Councillors Bob Norton, Ann Higgins and Christopher Massey

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

The community has plans to regenerate and there are concerns that the loss of another local service may affect these plans. There are also concerns that the building could be left empty.

We'd like to say:

We'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Eston – it's open Monday to Friday between 8.30am and 5.30pm and from 8.30am to 3pm on Saturdays. We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

We understand the concern from the community regarding the premises, and as soon as we've vacated them, we'll hand them over to our property agents. We hope a new use can soon be found for them.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who depend on the branch – for example, those who don't have their own transport and find it hard to travel further. There are also some concerns about security at the Post Office.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We've also made sure customers are familiar with using their local Post Office and we are aware the Post Office is reviewing its security arrangements.

For anyone who's able to travel, the nearest Barclays branches are in North Ormesby and at The Mall in Middlesborough. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles, in our branch, to help customers adapt to new ways of banking – so that they don't have to come into a branch as often.

There are cash machines nearby, at Yorkshire Bank, the Post Office and North East Convenience Store – all are free of charge.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – and Telephone Banking for those who prefer to speak to someone.

We'll be running 'Tea and Teach' events at the Job Centre in Eston after the closure to discuss other ways to bank. We've shown customers how to order cards and PINs, how to set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones, as well as helping everyone remain vigilant against fraud.

Support is also available through our telephone and online services.

Other things to help with the change...

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Eston branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
