

## This branch is closing – but we're still here to help

Our Ipswich Woodbridge Road branch is closing  
on Friday 12 February 2021.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Ipswich Woodbridge Road branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**<sup>2</sup>.

**We contacted the following groups:**

**MP:**

Tom Hunt

**Local council:**

Ipswich Borough Council – Councillor  
Paul West

**Customers:**

A number of customers who regularly use the  
branch

**We asked each of the groups 3 questions –  
here's what they said:**

**In your opinion, what's the biggest effect that  
this branch closing will have on your local  
community?**

**You said to us:**

There were some concerns that the branch  
closure may have an impact on the way both  
businesses and personal customers can bank.

**We'd like to say:**

We understand the concerns about the  
closure – and we'd like to reassure everyone  
that, before deciding to close, we looked very  
carefully at how the branch is used. We've  
seen a general fall in customers coming to  
this branch, and many customers already use  
nearby branches and Online or Telephone  
Banking.

To keep a community focus and to ensure  
trade stays in the local area, everyday banking  
can be done at the Post Office on Cauldwell  
Hall Road – it's open Monday to Friday between  
10am and 4pm, and Saturday between  
10am and 1pm. We're helping our customers  
understand which transactions they can  
do there, how to bank from home or their  
business premises and offering them support  
through this transition. We're also working  
with our business customers to identify the  
best alternatives to meet their individual  
requirements.

There are cash machines nearby at Sainsburys,  
Co-op and the BP service station – all are free  
to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel. The branch offers customer parking, and there were concerns that customers may find it difficult to park at branches that are further away.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are on Princes Street in Ipswich and Woodbridge. Although there are no parking facilities at these branches, there are public car parks nearby.

We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Ipswich Woodbridge Road branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign<sup>3</sup>

\*Lines are open 24 hours a day, 7 days a week
