

This branch is closing – but your bank is always open

Our Loftus branch is closing

Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Loftus branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP:

Simon Clarke

Local Council

Wayne Davies

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the impact of the closure on the High Street.

We'd like to say

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are encouraging people to do their everyday banking at the Post Office. This is very near, and is open between 9.00am and 5.30pm on Monday, Tuesday, Thursday and Friday and between 9.00am and 12.30pm on Wednesday and Saturday. We're also helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

The town remains well-served with cash machines at two branches of the Co-op on the High Street and Zetland Road, and at the Post Office on West Road.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel. Business customers may also find it hard to get and pay in cash.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too. Business customers are being offered our Barclays Collect service, where we pick up cash and cheques direct from their business premises. Customers can of course continue to visit our other local branches

For customers who are able to travel, the nearest branches are at Saltburn and Guisborough. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. So that we can continue to offer these face-to-face sessions in the town, we are continuing to support the provision of WiFi in The Old Co-op Building for a further 2 years. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Loftus branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
