

This branch is closing – but we're still here to help

Our Hale branch is closing
on Friday 18 December 2020.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Hale branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Adrian Davies, your Market Director for Local West.

We contacted the following groups:

MP:

Sir Graham Brady

Local council:

Trafford Council (Hale Central Ward) –
Councillors Denise Louise Haddad, Patricia
Young and Allan Mitchell

Customers:

A number of customers who regularly use the
branch

We asked each of the groups 3 questions –
here's what they said:

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There were concerns about what will happen
to the staff after the branch closes. There
were also some concerns that the branch
closure may have an impact on the way both
businesses and personal customers can bank,
and that less people will visit businesses on the
high street.

We'd like to say:

We understand the concern from the
community – there are a number of ways for
all our customers to continue their everyday
banking. We'd like to reassure everyone that,
before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

We'd like to reassure people that all our staff
have been relocated and will be working at
nearby branches.

To keep a community focus and to ensure
trade stays in the local area, everyday banking
can be done at the Post Office in Hale – it's
open on Monday and Friday, between 10am
and 3pm, on Tuesday, Wednesday and
Thursday, between 10am and 5.30pm, and on
Saturday between 9.30am and 5.30pm (subject
to change). We're helping our customers
understand which transactions they can do
there, how to bank from home or their business
premises and offering them support through
this transition.

There are cash machines nearby at Sainsbury's
on Ashley Road, Tesco, and Sainsbury's on
Lloyd Street – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are in Altrincham and Sale. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, and banking at the local Post Office – particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run individual and small group 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Hale branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
