Our Bristol Patchway branch has  
been closed since June 2017

Reasons for closure, and alternative ways to bank

# Patchway Branch is closed – but your bank is always open

This first booklet will help you understand why we've made the decision not to re-open this branch. It also sets out the banking services and support that are available to you.

In a second booklet, which will be available from Westbury-on-Trym branch from early March 2018 or online at [home.barclays/ukbranchclosures](http://home.barclays/ukbranchclosures), we'll share concerns and feedback from the local community. We'll also detail how we have been helping people transition from using the branch with alternative ways to carry out their banking requirements.

Here are the main reasons why the Bristol Patchway branch will not be reopening, following the fire damage caused to the branch in June 2017.

- The number of counter transactions has gone down in the previous 24 months, and additionally 87% of our branch customers also use other ways to do their banking such as online and by telephone.
- Customers using other ways to do their banking has increased by 13% since 2012
- In the past 12 months, 24% of this branch's customers have been using neighbouring branches
- We've identified that only 102 customers use this branch exclusively for their banking

Proposals to close any branch are made by the Barclays local leadership teams and verified at a national level ahead of any closure announcement. If you have any questions and concerns about these changes then please feel free to get in touch with Adam Rowland, your Deputy Community Banking Director for Bristol Somerset & Wiltshire.

## How this branch was used

Before we make the decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us. We also take into consideration the availability of other branches in the wider community.
