

## This branch is closing – but we're still here to help

Our Westhoughton branch is closing  
on Friday 27 November 2020

Reasons for closure, and alternative ways to bank

# This branch is closing – but your bank is always open

This first booklet will help you understand why we've made the decision to close this branch. It also sets out the banking services and support that will be available to you after this branch has closed.

In a second booklet, which will be available from the branch prior to it closing or online at [home.barclays/ukbranchclosures](https://home.barclays/ukbranchclosures), we'll share concerns and feedback from the local community. We'll also detail how we are helping people transition from using the branch with alternative ways to carry out their banking requirements.

Here are the main reasons why the Westhoughton branch is closing:

- The number of transactions has gone up in the previous 24 months, however 82% of our branch customers also use other ways to do their banking such as online and by telephone.
- Customers using other ways to do their banking has increased by 22% since 2012.
- In the past 12 months, 36% of this branch's customers have been using nearby branches.
- We've identified that only 213 customers use this branch exclusively for their banking

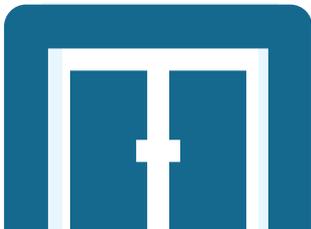

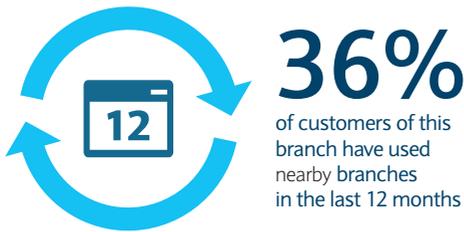

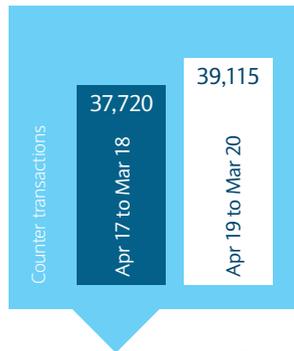

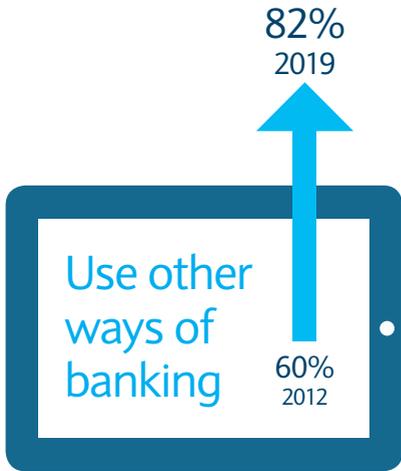

Proposals to close any branch are made by the Barclays local leadership teams and verified at a national level ahead of any closure announcement. If you have any questions and concerns about these changes then please feel free to get in touch with Adrian Davies, your Market Director for Local West.

# How banking is changing

Many customers are choosing to bank differently, and these changes inform our decisions

We've identified that only 213 regular customers use this branch exclusively for their banking

## How this branch is used

Before we make the decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us. We also take into consideration the availability of other branches in the wider community.
