

This branch is closing but your bank is always open

Our Littleport branch is closing
on 9 October 2015

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 65% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 69% of this branch's customers have been using neighbouring branches
- Only 75 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Kathryn Kitson,
North West Anglia Community Leader

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP:

Stephen Barclay

Local Councillors:

Cllr Christine Ambrose-Smith

Mr Ambrose-Smith

Customers:

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find a summary of the responses we received below

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

Barclays is the only bank in Littleport and the nearest branches are four miles away in Ely or Soham. We should ensure customers understand how to continue banking when the branch closes, particularly those who rely solely on the branch.

We'd like to say:

We have looked carefully at how this branch is used – large numbers of customers already use neighbouring branches and online or telephone banking and we've seen a general fall in customers coming to the counter and using the cash machine. However, to help customers who do rely on the branch, we're making sure that they know how they can carry on with their banking needs in the local area.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns expressed about elderly people who are frequent users of the bank, and local businesses who appreciate the convenience of not having to drive or park.

We'd like to say:

We know it's not ideal to have routines disrupted, and not everyone find its convenient to travel to a branch that's further away. We've spoken directly to our customers that are likely to be most affected to help them with other ways to do their banking. We have made sure they're familiar with services they can use at the Post Office too.

We're also speaking to Business and Corporate customers individually. We have made sure they understand that their business relationship arrangements won't change and we're helping them with other ways to bank, including the services available online and through the Post Office.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us

Customers will need help adapting to alternative ways to bank, and will also need to know what they can do in the Post Office.

We'd like to say:

Through our 'Tea and Teach' sessions we've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking and Telephone Banking if they would prefer to speak to someone. We have made sure they're familiar with the Post Office arrangements too. These events will carry on in local branches to help customers who might want to use our digital and/or telephone banking options. Support is always available through our telephony and website services.

Other things to help with the change...

At the Post Office, both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Littleport branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

Personal customers can pay in cash using just a pre-printed paying-in slip, and withdraw cash using a debit card and PIN. If you're a business customer, please check with Post Office whether you can deposit and withdraw cash.
