

This branch is closing – but your bank is always open

Our Burford branch is closing

Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Burford branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Robert Courts

Local Council

Burford Town Council

Local groups

Age UK

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the loss of the Barclays ATM.

We'd like to say

We are sorry to have to withdraw the cash machine. However, TSB still has an ATM in the town which is nearby, although it is not in as prominent a position.

Although there have been some other concerns expressed about the effect of the closure on the town, we would like to reassure the community that we have looked carefully at how this branch is used. Many customers already use nearby branches and online or telephone banking.

To retain a community focus and ensure trade remains in the local area, we are explaining to customers how to do their everyday banking at the Post Office, which is open between 7:30am and 6:00pm on weekdays and 8:00am to 4:30pm at weekends.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about further inconvenience to customers as most have already adapted to other banking methods as the branch has been open only two days a week for the past few years.

We'd like to say

We're speaking directly with the small number of customers who may depend on the branch and helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, and have ensured that they have cash cards to use in the ATM. Most business customers are already using our Carterton branch for cash, which has free parking outside.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. Age UK has also joined us in supporting customers through weekly 'Tea and Teach' events held in our Witney branch. We're telling Burford customers who visit the branch about this, and there's a regular bus that makes the 12-minute trip to Witney. Staff from our Burford branch will be relocated to Witney, so there will be a familiar face there for customers. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Burford branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
