

This branch is closing – but your bank is always open

Our Avonmouth branch is closing

Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Avonmouth branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Darren Jones

Local Council

Cllr Donald Alexander

Cllr Matthew Melias

Cllr Jo Sergeant

Local groups

Age Concern

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns that the closure of the branch will have an impact on local residents and businesses, particularly those that rely on the branch to handle cash.

We'd like to say

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

We have worked closely with the nearby Post Office on Avonmouth Road to look after customers and non-customers alike who have previously relied on the branch. The Post Office is open between 9:00am and 5:30pm six days a week, and we're helping customer to understand the transactions they can do there.

The area remains well-served with cash machines, with the three nearest free ATMs at the Co-op, Costco, and the Premier Store on Avonmouth Road.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend on the branch and those older customers that may have a lack of skills in using the internet; and additionally some customers who do not drive will have to rely on public transport to travel to visit a local branch. There are also some concerns about the limited online access locally.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. We have made sure they're familiar with the transactions they can do at the Post Office, too, and this has included accompanying some customers over to the Post Office to make sure they're happy with what they can do there. We have held 'Tea and Teach' sessions to help customers with using the internet.

For customers who are able to travel, the nearest branches are at Westbury-on-Trym and Portishead. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers who may not be confident with online banking to use the service. If online access is an issue for customers, we're making sure they're set up and happy to use telephone banking.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Avonmouth branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
