

This branch is closing but your bank is always open

Our Hull & Hessle branch is closing
on Friday 7 July 2017

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down in comparison to similar branches
- 78% of our branch customers also use other ways to do their banking, such as online or by telephone
- In the past 2 months, 69% of this branch's customers have been using neighbouring branches
- Only 77% of customers regularly used this branch without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Steven Mullins
Yorkshire Community Banking Director

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP:

Alan Johnson

Customers

A number of personal, Premier and Business customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the possible impact of the closure on the local community, particularly following the closure of Yorkshire Bank.

We'd like to say:

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are explaining to customers how to do their everyday banking at the Post Office, which is open between 09:00 and 17:30 six days a week. We're also helping them understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

The local community remains well-served with free to use cash machines. NatWest, Asda and Sainsbury's all have ATMs close to the branch.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel.

We'd like to say:

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too.

For customers who are able to travel, the nearest branches are at Hull City Centre and Holderness Road. However, we understand it's not always convenient, so we've been offering support to help customers adapt to new ways of banking that mean they don't have to come into the branch so often. This includes our Barclays Collect cash collection service for Business customers.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We are providing one-to-one meetings at the branch to make sure customers are comfortable with other ways to bank. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip at the Hessle Road and Beetonville Post Offices, although it could take an extra two days to reach Barclays accounts using a paying in slip. Unfortunately this service is not currently available at Gipsyville

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Hessle Road branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

There are more ways to bank locally

We want to be there for you wherever and whenever you need us so we offer many other ways for you to do your banking.
