

This branch is closing but your bank is always open

Our Kirkby-In-Ashfield branch is closing
on Friday 30 June 2017

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 77% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 62% of this branch's customers have been using neighbouring branches
- Only 65 customers regularly used this branch without interacting with us in any other way.

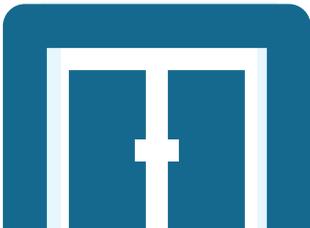

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Kim Mezoui
North & East Midlands Community Banking Director

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP:

Gloria del Piero

Local Council

Ashfield District Council

Local groups

Mansfield & Ashfield 20/20 business networking group

Customers

A number of business and personal customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are concerns about the potential impact of the closure on the high street.

We'd like to say:

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and to support trade remaining in the local area, we are encouraging people to do their everyday banking at the Post Office, which is open Monday - Saturday 09:00 - 17:30. We're also helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

The town remains well-served with free to use cash machines. There are three within 100m of the branch, at the Post Office, Morrisons and Lloyds.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

Customers are keen to understand the alternative ways of conducting their banking and gaining confidence in the variety of banking options open to them.

We'd like to say:

We're helping customers with alternative ways to do their banking. We've also focused on supporting customers who may depend particularly on the branch. We've made sure customers can access telephone banking to speak to someone in person, and that they're familiar with the Post Office arrangement too.

Our nearest branches are at Sutton-in-Ashfield and Mansfield. However, we understand it's not always convenient to travel, so support from our Digital Eagles is there to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. Support is also available through our telephony and website services. Our Tea and Teach sessions have been well received and customers understand the alternatives.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Kirkby-in-Ashfield branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

There are more ways to bank locally

We want to be there for you wherever and whenever you need us so we offer many other ways for you to do your banking.
