

## This branch is closing – but we're still here to help

Our Chiswick branch is closing  
on Wednesday 18 August 2021.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Chiswick branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**<sup>2</sup>.

### We contacted the following groups:

**MP:**

Ruth Cadbury

**Local council:**

Hounslow Borough Council – councillors  
Patrick Barr, John Todd and Gerald McGregor

**Community groups:**

Age Concern Chiswick, St Michael and All  
Angels Church.

The Devonshire Road community and the  
community in Turnham Green Terrace

**Customers:**

A number of customers who regularly use the  
branch have raised their concerns with the  
branch and Matt Hammerstein (CEO Barclays  
Bank UK)

### We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that  
this branch closing will have on your local  
community?**

**You said to us:**

There were some concerns that the branch  
closure may have an impact on the way both  
businesses and personal customers can bank.  
Customers are disappointed to lose Barclays  
from their high street, and some were also  
concerned about what will happen to the staff,  
and whether they would be losing their jobs.  
Concerns were also raised about whether the  
support Barclays had previously provided to a  
number of community charities and initiatives  
would continue after the branch closes.

**We'd like to say:**

We understand the concerns about the  
closure – and we'd like to reassure everyone  
that, before deciding to close, we looked very  
carefully at how the branch is used. Many  
customers are already using nearby branches  
and Online or Telephone Banking.

To keep a community focus and to ensure  
trade stays in the local area, everyday banking  
can be done at the Post Office in Chiswick –  
it's open Monday to Saturday between 9am  
and 5.30pm. We're helping our customers  
understand which transactions they can do  
there, how to bank from home or their business  
premises and offering them support through  
this transition.

There are cash machines nearby at Metro Bank,  
Nationwide and Sainsbury's – all are free to use.

We're exploring the possibility of retaining  
a presence within the community after the  
branch closes, and once we've confirmed the  
arrangements we'll share the details locally.

We'd like to reassure the community that all  
our colleagues have been relocated and will  
be working at nearby branches, and that we  
are hoping to continue our relationship and  
support with local charities.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel. Businesses, too, might have to travel farther and spend more time doing their banking. Customers were also frustrated that other nearby branches have recently been closed, and parking at the nearest branch in Hammersmith maybe difficult.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too, so that they do not need to travel outside the community to be able to do their everyday banking.

We're speaking to our business customers about other ways to withdraw and pay in cash, including Barclays Collect, our cash collection service, and how they can bank at the Post Office.

For anyone who is able to travel, the nearest branches are in Hammersmith and Kensington. However, as we understand it's not always convenient to travel, and often parking can be difficult, we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to travel to a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office for those who prefer a face-to-face service, and Telephone Banking for those who prefer to speak to someone.

We've run individual and small group 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Chiswick branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign<sup>3</sup>
