

## This branch is closing – but we're still here to help

Our Wednesfield branch is closing  
on Friday 12 June 2020.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Wednesfield branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Adrian Davies, your Market Director for Local West.

### We contacted the following groups:

**MP:**

Jane Stevenson

**Local council:**

Councillors Greg Brackenridge, Jacqui Coogan, Bhupinder Gakhal, Wolverhampton City Council

**Customers:**

A number of customers who regularly use the branch

**Please note:**

Because of the coronavirus situation, we've temporarily closed or changed the regular opening hours of our branches. The Wednesfield branch is one of the branches we've temporarily closed – we're sorry for any inconvenience. You can still get in touch with us using the information on page 2.

### We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns that the bank will be missed by the community, and this may have an impact on the way both business and personal customers can bank. It was felt that the closure is not in keeping with the regeneration plans for the high street. There was some interest raised about what the building will become after the branch closes.

**We'd like to say:**

We understand the concern from the community, and we're glad to see there are regeneration plans for the high street, however we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Wednesfield – it's open Monday to Friday between 8.30am and 5.30pm, and on Saturday between 8.30am and 1pm (subject to change). We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at Nationwide, Lloyds and Bagri News – all are free to use.

Once we've vacated the premises, we'll hand them over to our property agents and we hope they can find a new use for them soon.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns that some customers may find travelling to the nearest branch difficult. Many customers don't want to bank online and prefer face-to-face banking.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking.

For many customers, particularly those who prefer to bank face-to-face, the Post Office in Wednesfield is there for them. We're making sure customers are familiar with using their local Post Office for their everyday transactions, so they do not need to travel outside the community.

For anyone who's able to travel, there's a branch in Wolverhampton Queen Square and another in Bilston. However, we understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking. This means they don't have to come into a branch as often and can continue to bank when their nearest branch isn't open.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may not want to bank online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – please call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
