

This branch is closing – but we're still here to help

Our Wood Green Lordship Lane branch is closing
on Friday 6 November 2020.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Wood Green Lordship Lane branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

We contacted the following groups:

MP:

Catherine West

Local council:

Harringay Borough council - Councillors
Barbara Blake, Lucia das Neves and Peter
Mitchell

Customers:

A number of customers who regularly use the
branch

**We asked each of the groups 3 questions –
here's what they said:**

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There were some concerns that the branch
closure may have an impact on the way both
businesses and personal customers can bank.

We'd like to say:

We understand the concerns about the
closure – and we'd like to reassure everyone
that, before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

To keep a community focus and to ensure trade
stays in the local area, everyday banking can
be done at the Post Office in Wood Green – it's
open Monday to Friday between 9am and 6pm,
and on Saturday between 9am and 5.30pm.
We're helping our customers understand which
transactions they can do there, how to bank
from home or their business premises and
offering them support through this transition.

We're speaking to our business customers
about other ways to withdraw and pay in cash,
including Barclays Collect, our cash collection
service, as well as the services available to
them at the Post Office.

There are cash machines nearby at Sainsbury's,
NatWest and Tesco – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns that customers with disabilities wouldn't be able to travel to other branches and would struggle to use digital banking methods.

There were also some concerns about queues at nearby branches, and that the Post Office might find it difficult to cope with the extra demand.

We'd like to say:

We're making sure our customers are familiar with using their local Post Office, so they would not have to travel outside the community to be able to do their everyday banking. There is also the telephone banking service for those customers who may struggle to use a digital alternative.

We're working with the Post Office staff to ensure they're ready for the extra demand when our branch closes – we've also invited them to our 'Tea and Teach' sessions. We will monitor wait times at the nearby branches, and the additional staff members from Wood Green Lordship Lane branch will strengthen the service. For anyone who's able to travel, the nearest branches are in Noel Park and Harringay.

We understand it's not always convenient to travel and some people want to avoid queues so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office for those who prefer a face-to-face service, and Telephone Banking for those who prefer to speak to someone.

We're running individual and small group 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We've ordered PINsentry card readers and shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Wood Green Lordship Lane branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
