Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Corbridge branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Guy Opperman

Local Council

Cllr. Nicholas Oliver

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the impact of the closure on the area and on local businesses, and also about the loss of the only 24-hour ATM in the village.

We'd like to say

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are encouraging people to do their everyday banking at the Post Office, which is open between 5.00am and 5.30pm Monday to Saturday and from 5.00am to 12.30pm on Sunday. We are helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

Whilst there is a cash machine at the Co-op which is accessible from 7.00am until 10.00pm, we also continue to explore the possibility of providing a further 24 hour cash machine within the village

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are some concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We are ensuring they're familiar with the banking they can do at any Post Office. We're also speaking to business customers about getting cash at the Post Office and using our 'Cash Collect' service.

For customers who are able to travel, the nearest branches are at Hexham and Prudhoe. However, we understand it's not always convenient to travel, so we've been offering support from our staff to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have worked with customers to find acceptable alternative ways to bank, as well as how to set up a regular payment and order cards and PINs. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Corbridge branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
