

This branch is closing but your bank is always open

Our Haslemere branch is closing
on 27 November 2015

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 79% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 35% of this branch's customers have been using neighbouring branches
- Only 125 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

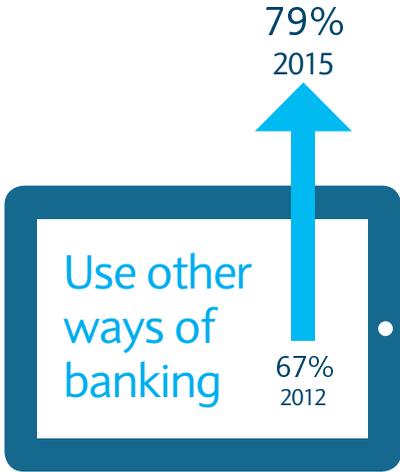

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Donna Hagan
Southampton & Solent Community Leader

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP

Jeremy Hunt

Local councillors

Cllr Robert Knowles

Cllr Stephen Mulliner

Cllr David Round

Surrey County Council

Cllr Nikki Barton

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

People are worried that with the loss of the Barclays cash machines, it will be harder to bank locally and customers will only be able to take out up to £300 each day from the other banks in the village.

We'd like to say:

We understand the concern from the community and we're sorry to take out the cash machine but it hasn't proved feasible to leave one behind. There are very few customers that require cash withdrawals of over £300 however customers can use our branches in Midhurst and Godalming. We would encourage customers to consider other more secure payment methods for both large and small transactions but particularly for the larger ones.

For amounts less than £300 a day, there are several other free cash machines remaining in the town, including at Lloyds, Natwest and HSBC.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are worries about customers who may depend particularly on the branch – for example, elderly customers, and people who may find it hard to travel.

We'd like to say:

We know it's not always convenient to travel to a branch that's further away, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes Telephone Banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run several 'Tea and Teach' events within the community to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. Our branch at Midhurst will carry these on after we close. We have also offered to run sessions with the Parish Council. Support is always available through our telephony and website services.

We are also making sure all our customers understand the transactions they can do at the Post Office. The Post Office in Haslemere is very close to our branch and is open between 9am and 5.30pm five days a week, and until 12.30pm on Saturdays. The Shottermill Post Office - only a mile away - is open between 7am and 10pm six days a week, and between 10am and 4pm on Sundays, giving customers more options about when they do their everyday banking.

Other things to help with the change...

Whether at a main or local branch, both business and personal customers can still pay in cheques at the Post Office*. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Haslemere branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

Business and personal customers can pay in cash using a pre-printed paying in slip. Personal customers can withdraw cash using a debit card and pin.

*with the exception of Post Office Locals.
