

## This branch is closing – but we're still here to help

Our North Ormesby branch is closing  
on Wednesday 17 June 2020.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the North Ormesby branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Jon Clowes, your Market Director for Local East.

**We contacted the following groups:**

**MP:**

Andy McDonald

**Local council:**

Middlesbrough Council - Councillor Ashley Waters

**Customers:**

A number of customers who regularly use the branch

**Please note:**

Because of the coronavirus situation, we've temporarily closed or changed the regular opening hours of our branches. The North Ormesby branch is one of the branches we've temporarily closed – we're sorry for any inconvenience. You can still get in touch with us using the information on page 2.

**We asked each of the groups 3 questions – here's what they said:**

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns that the branch closure may have an impact on the way both business and personal customers can bank, as well as about the building being left empty after we close.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office at Norfolk Place – it's open Monday to Friday between 9am and 5.30pm, and on Saturday between 9am and 12.30pm (subject to change). We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at Premier Store, One Stop and Tesco – all are free to use.

Once we've vacated the premises, we'll hand them over to our property agents – we're hopeful that a new tenant can soon be found for them.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

The branch offers customer parking, and there were concerns that customers may find it difficult to park at branches that are further away. Businesses, too, might have further to travel and to spend more time doing their banking.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are at The Mall in Middlesbrough and Thornaby. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often. Although there are no parking facilities at The Mall branch there are public car parks nearby.

We're working with business customers to make sure they have alternative arrangements, including the use of Barclays Collect service to pick up cash, where appropriate.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events over the phone to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – please call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
