

This branch is closing but your bank is always open

Our Fartown branch is closing
on Friday 2 December 2016

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 67% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 78% of this branch's customers have been using neighbouring branches
- Only 90 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

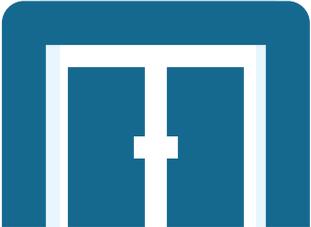

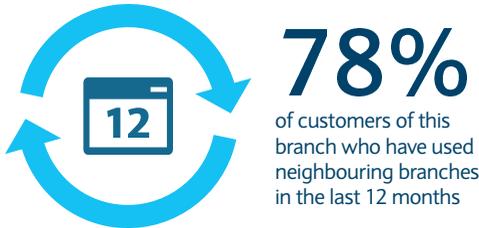

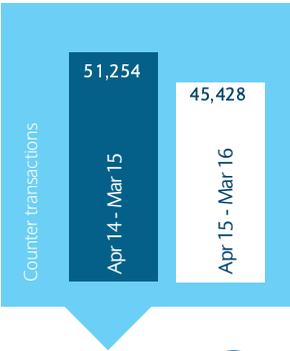

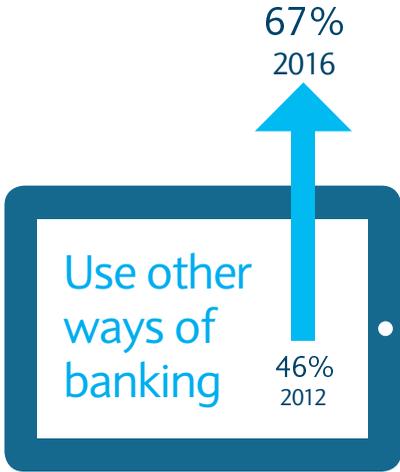

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Nick Weaver
Lincolnshire & Yorkshire Community Banking Director

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP

Barry Swainston

Consumer groups and charities

Fartown Library

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

No specific concerns were raised about the effect on the community.

We'd like to say:

We have looked carefully at how this branch is used. Many customers already use neighbouring branches and Online or Telephone Banking and we've seen a general fall in customers coming to the branch. We are explaining to customers the transactions they can do at the Post Office – the nearest is on Fartown Green Road, 200m away. For the community's use, there is also an ATM at the Post Office and several more locally, including one at Poplar Stores.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel. There is some concern over the convenience of parking at the Huddersfield branch.

We'd like to say:

We have spoken with customers most likely to be affected by the closure and invited them to sit with an advisor to find alternative ways to do their banking. This includes Online Banking and Telephone Banking if they would prefer to speak to someone in person. We've been making sure they know the transactions they can do at the Post Office too – the nearby Fartown Green Road Post Office is open Monday - Friday 09:00 to 17:30, Saturday 09:00 - 12:30. Our Brighouse branch, while further away, has more convenient parking. We're also speaking with business customers to help them understand their options.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. At our 'Tea and Teach' events, we help customers adapt to digital banking methods. These have been received very positively and we'll continue to offer them. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office Personal customers can withdraw cash using a debit card and pin. Business and Personal customers can pay in cash using a pre-printed paying in slip at Fartown and Huddersfield, unfortunately this service is not currently available at Sheepridge.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Fartown branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

There are more ways to bank locally

We want to be there for you wherever and whenever you need us so we offer many other ways for you to do your banking.
