

## This branch is closing but your bank is always open

Our Ferryhill branch is closing  
on 26 February 2016

Find out how this may affect you.

# This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 66% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 43% of this branch's customers have been using neighbouring branches
- Only 89 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Don Crozier  
Northumberland and Durham Community Banking Director

## How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

# Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

**MP**

Phil Wilson

**Local council**

Ferryhill Town Council

**Customers**

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

People are concerned about the impact of the closure on the town.

**We'd like to say:**

We understand the concern from the community. We have looked carefully at how this branch is used. Many customers already also use neighbouring branches and Online or Telephone Banking and we've seen a general fall in customers coming to the branch.

To keep trade and a community focus within the local area, we have explained that customers can do their everyday banking at the Post Office, and we're helping customers understand the transactions they can do there. For everyday banking, the Post Office is open between 09:00 and 17:30 six days a week.

There are several other cash machines in the town, including at Natwest, so people can still take out cash to use in local businesses.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There are some concerns about customers who may depend particularly on the branch – for example, elderly customers and those who may find it hard to travel.

#### We'd like to say:

Our nearest branch at Spennymoor is three miles away and there are good transport links to it from Ferryhill. However, we know it's not always convenient to travel to a branch that's further away, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into a branch so often.

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking if they're unable to travel. This includes Telephone Banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

Some customers may need help if they are to adopt new banking methods.

#### We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We've run 'Tea and Teach' events to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. Support is always available through our telephony and website services.

## Other things to help with the change...

At the Post Office Personal customers can withdraw cash using a debit card and pin. Business and Personal customers can pay in cash using a pre-printed paying in slip, where this service is available.\*

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Ferryhill branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

\*This service is not available at Post Office Locals.
