

## This branch is closing but your bank is always open

Our Patrington branch is closing  
on 17 February 2016

Find out how this may affect you.

# This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone down and is low in comparison to similar branches
- 76% of our branch customers also use other ways to do their banking, such as online and by telephone
- In the past 12 months, 59% of this branch's customers have been using neighbouring branches
- Only 2 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Steve Mullins  
Yorkshire Community Banking Director

# Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

**MP**

Graham Stuart

**Local groups**

Patrinton Church

**Customers**

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There are concerns that Barclays is the last bank in Patrinton, and the closure may affect other businesses because fewer people will come into the village.

**We'd like to say:**

We understand the concerns of the community. We have looked carefully at how this branch is used. Many customers already also use neighbouring branches and Online or Telephone Banking and we've seen a general fall in customers coming to the branch.

We are explaining to customers the transactions they can do at the Post Office which will enable them to continue to transact in the local economy. For everyday banking, the Post Office is open between 09:00 and 17:30 Monday to Friday and until 12.30 on Saturday.

There are also free to use cash machines in the village at the Post Office and the local garage.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel.

#### We'd like to say:

We understand that our alternative branch at Hull, Holderness Road is several miles away and it's not always convenient to travel there. We've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes Telephone Banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

Customers will need help if they are to adopt new banking methods.

#### We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We've ordered bank cards and PINs for customers who need them. We have run events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. Local branches will continue these events after we close and support is always available through our telephone and website services.

## Other things to help with the change...

At the Post Office Personal customers can withdraw cash using a debit card and pin. Business and Personal customers can pay in cash at Ottringham or Skeffling using a pre-printed paying in slip, unfortunately this service is not currently available at Patrington.

Both Business and Personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Patrington branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
