Our Reddish branch is closing

Find out how this may affect you.

This branch is closing, but your bank is always open

Now more than ever, the way people choose to bank is changing as the digital revolution continues. As a business, we need to adapt our services to keep up with the changing needs of our customers. In this booklet we've set out why we've made the decision to close this branch and how and where you can find the banking services and expertise you need. We'll go into this in more detail later on, but here are the main reasons why this branch is closing:

- The number of customers using the counter has gone up, however 74% of our branch customers also use other ways to do their banking such as online and by telephone
- In the past 12 months, 61% of this branch's customers have been using neighbouring branches
- Only 105 customers regularly used this branch in the past 12 months, without interacting with us in any other way.

I realise that you may have questions and concerns about these changes, so please feel free to get in touch using the details below.

Yours,

Jason Clarke
Manchester and Cheshire Community Banking Director

How this branch is used

Before we make the difficult decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us.

Community feedback

We understand that the decision to close a branch affects different communities in different ways, so we spoke to people in your community to hear their opinion. We wanted to find out how your community, and particular groups within it, would be affected if this branch were to close, and what we could do to help people through the transition.

We contacted the following groups:

MP

Andrew Gwynne

Local Council

Councillor Kate Butler
Councillor Walter Brett

Local Community Groups

Reddish Community Centre

Local Business Groups

Stockport Chamber of Commerce

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

Concern was expressed that the closure of the branch would lead to an empty building in the town, and fewer people coming into the area to do their banking and this could affect other businesses.

We'd like to say:

We have looked carefully at how this branch is used. Many customers already use neighbouring branches and Online or Telephone Banking and we've seen a general fall in customers coming to the branch. We are explaining to customers the transactions they can do at the nearby Post Office, which should encourage them to continue banking in the area. For the community's use, there are three free ATMs within 100m, including one at the local Morrisons. Once we have vacated the premises, our property agents will liaise with the freeholder.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend particularly on the branch – for example, elderly customers and people who may find it hard to travel. Some people may not find it easy to get a bus to the nearest branch.

We'd like to say:

We have spoken directly with customers most likely to be affected by the closure and invited them to sit with an advisor to find alternative ways to do their banking. This includes Online Banking and Telephone Banking if they would prefer to speak to someone in person. We've been making sure they know the transactions they can do at the Post Office too, the nearby Reddish Gorton Road Post Office is open Monday - Saturday 09:00 - 17:30.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say:

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. At our Stockport branch, which many customers also use, we are holding 'Tea and Teach' sessions to help with digital banking methods. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office Personal customers can withdraw cash using a debit card and pin. Business and Personal customers can pay in cash using a pre-printed paying in slip, where this service is available.*

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at a branch
2. a paying-in envelope. We have extra stock in the Reddish branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

*This service is not available at Post Office Locals.
