This branch is closing – but we’re still here to help

Our Burnham-on-Sea branch is closing on Friday 19 October 2018.

Branch closure feedback, and alternative ways to bank
Sharing branch closure feedback

We’re now nearing the closure of the Burnham-on-Sea branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we’ve spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on 0345 7 345 345. You can also go online to barclays.co.uk/waystobank to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

We contacted the following groups:

**MP:**
James Heappey

**Local council:**
Town Clerk - Burnham-on-Sea Town Council, Mayor Cllr Bill Hancock, Councillor Cheryl Burnett, Paul Herbert and Peter Clayton

**Customers:**
A number of customers who regularly use the branch

We asked each of the groups 3 questions – here’s what they said:

**In your opinion, what’s the biggest effect that this branch closing will have on your local community?**

**You said to us:**
There are some concerns about the potential impact of the closure on the town, and in particular on local trade and businesses in the community.

**We’d like to say:**
We understand the concerns about the closure – and we’d like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We’ve seen a general fall in customers coming to this branch, and many customers already use nearby branches and online or telephone banking.

To retain a community focus, and to ensure trade stays local, we are explaining to customers how their everyday banking can be done at the Post Office in Burnham-on-Sea – it’s open Monday to Friday between 9am and 5.30pm, and on Saturday between 9am and 1pm. We’re working with staff at the Post Office and we’re helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at the Post Office, Nationwide, and Lloyds – all are free to use.
What’s the biggest effect that this branch closing will have on customers of the branch?

You said to us:
There were concerns about customers who depend on the branch – for example, those who find it difficult to travel further.

We’d like to say:
We’re speaking individually with those customers who are most likely to be affected by the closure, and we’re helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through telephone banking. We’ve also made sure customers are familiar with using their local Post Office, too.

For anyone who’s able to travel, there’s a branch in Bridgwater and another in Weston-super-Mare. However, we understand it’s not always convenient to travel, so we’re offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don’t have to come into a branch as often and can continue to bank when the nearest branch isn’t open.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:
The closure means customers will need help getting used to new banking methods, particularly customers who might find it difficult to get used to digital banking.

We’d like to say:
We’re encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone.

We’ve run ‘Tea and Teach’ events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We’ve also shown customers how to order cards and PINs, and we’re helping everyone remain vigilant against fraud.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Burnham-on-Sea branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we’ll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
