Barclays US LLC receives non-objection to its capital plan in 2020 CCAR

The FRB did not object to Barclays US LLC’s capital plan, and under both the FRB’s and Barclays’ company-run assessment of the supervisory severely adverse scenario, the IHC’s projected capital ratios remained above regulatory minimum required levels across all nine quarters of the test.

Barclays US LLC today published its own assessment of the supervisory severely adverse scenario, which can be found on the Barclays website at: https://home.barclays/investor-relations/investor-news/fed-filings/
