

Barclays PLC**Barclays US LLC annual stress test results**

Barclays PLC notes the Federal Reserve Board's ("FRB") publication of the results from its annual bank stress tests on 23 June 2022.

In addition, on 27 June 2022 Barclays US LLC (Barclays' US Intermediate Holding Company, the "IHC") published its own assessment of its results under the supervisory severely adverse scenario ("SSAS"), which can be found on the Barclays website at: <https://home.barclays/investor-relations/investor-news/fed-filings/>

The IHC's projected capital ratios remained above regulatory minimum required levels across all nine quarters of the test under both the FRB's assessment and Barclays' company-run assessment of the SSAS.
