Covid-19

On 9 April 2020 the FCA (in response to the ongoing Covid-19 situation) confirmed a scheme whereby UK credit card customers, impacted financially by Covid-19, would be able to request a freeze on repayments for three months. More information on this scheme and the further support announced 1 July 2020 can be found on the FCA website at <https://www.fca.org.uk/consumers/coronavirus-information-personal-loans-credit-cards-overdrafts>. Some credit card customers of Tesco Personal Finance Plc (Tesco Bank), whose receivables have been assigned to Delamare Cards Receivables Trustee Ltd (the Trust) have subsequently applied for the payment moratoriums allowed under the scheme. Where payment holiday applications are successful the revenue and principal received by the Trust will be reduced. All successful applications, as per the terms of the scheme, will not be considered delinquent nor will they be reported as delinquent for the purposes of investor reporting. Investors should note the current revenue and principal performance of the Trust versus applicable triggers / repayment requirements and note the existing structural protections in place.

As at 30 September 2020 Tesco Bank had recorded payment holiday applications from 2.9% of its active credit card portfolio.
