Covid-19

0.19 April 2020 the FCA (in response to the ongoing Covid-19 situation) confirmed a scheme whereby UK credit card customers, impacted financially by Covid-19, would be able to request a freeze on repayments for three months (later amended allowing an option to extend by a further 3 months on the expiry of the initial payment freeze). More information on the scheme and the level of support currently available to credit card customers can be found on the FCA website at: <a href="https://www.lca.org.uk/consumers/coronavirus-information">https://www.lca.org.uk/consumers/coronavirus-information</a>

A number of credit card customers of Tesco Personal Finance Pic (Tesco Bank), whose receivables have been assigned to Detamare Cards Receivables Trustee Ltd (the Trust') subsequently applied for the payment moratoriums allowed under the scheme. Where applications are successful the revenue and principal received by the Trust will be reduced. All successful applications, as per the terms of the scheme, will not be considered delinquent nor will they be reported as delinquent for the purposes of investor reporting. Investors should note the current revenue and principal performance of the Trust versus applicable triggers / repayment requirements and note the structural protections in place.

As at 29 October 2020 Tesco Bank recorded that 0.35% of its active credit card portfolio currently remain on a scheme prescribed payment holiday.
