Other Information

With effect on and from 1 January 2021, the seller, in its capacity as originator (being Tesco Personal Finance Plc, a UK entity) and the SSPE (being Delamare Cards MTN Issuer Plc, a UK entity) of the securitisation will cease to meet the requirement set out in Article 18 of Regulation (EU) 2017/2402 (the "Securitisation Regulation") that the originator and SSPE involved in a securitisation considered STS be established in the Union because: (i) the transition period provided for in Article 126 of the agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community ended on 31 December 2020; (ii) as a result, the UK will no longer be treated as a Member State of the Union from 1 January 2021; and (iii) consequently, the originator and the SSPE will no longer be established in the Union.

The originator has procured that a notification be submitted to the FCA in accordance with Article 27 of the Securitisation Regulation as it forms part of the domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended by the European Union (Withdrawal Agreement) Act 2020) (the "UK Securitisation Regulation") confirming that the requirements of Articles 19-22 of the UK Securitisation Regulation for designation as an STS securitisation have been satisfied with respect to the notes.

The FCA's STS Notification Register is available here: <https://data.fca.org.uk/#/sts/stssecrifications>.

Covid-19

On 9 April 2020 the FCA (in response to the ongoing Covid-19 situation) confirmed a scheme whereby UK credit card customers, impacted financially by Covid-19, would be able to request a freeze on repayments for three months (later amended allowing an option to extend by a further 3 months on the expiry of the initial payment freeze). More information on the scheme and the level of support currently available to credit card customers can be found on the FCA website at: <https://www.fca.org.uk/consumers/coronavirus-information-personal-loans-credit-cards-overdrafts>.

A number of credit card customers of Tesco Personal Finance Plc ("Tesco Bank"), whose receivables have been assigned to Delamare Cards Receivables Trustee Ltd ("the Trust") subsequently applied for the payment moratoriums allowed under the scheme. Where applications are successful the revenue and principal received by the Trust will be reduced. All successful applications, as per the terms of the scheme, will not be considered delinquent nor will they be reported as delinquent for the purposes of investor reporting. Investors should note the current revenue and principal performance of the Trust versus applicable triggers / repayment requirements and note the structural protections in place.

As at 31 December 2020 Tesco Bank recorded that 0.30% of its active credit card portfolio remained on a scheme prescribed payment holiday.
