issued pursuant to the £60,000,000,000 Debt Issuance Programme of Barclays PLC and Barclays Bank PLC (the "Programme")

This drawdown prospectus (the "**Prospectus**") (which must, unless otherwise expressly set out herein, be read and construed as one document in conjunction with all documents incorporated by reference herein, including the sections of the base prospectus dated 28 February 2017 (the "**2017 Base Prospectus**") relating to the Programme as supplemented by the supplements thereto dated 4 May 2017, 31 July 2017 and 27 October 2017 (together, the "**Base Prospectus**"), see "*Information Incorporated by Reference*") is prepared in connection with the issue of SGD 200,000,000 aggregate principal amount of 3.750 per cent. Fixed Rate Resetting Subordinated Callable Notes due 2030 (the "**Notes**") by Barclays PLC (the "**Issuer**") under the Programme. Terms used but not defined in this Prospectus shall have the same respective meanings as are ascribed to them in the Terms and Conditions of the Notes (the "**Conditions**") set out in "*Terms and Conditions of the Notes*" below and the sections of the 2017 Base Prospectus which are incorporated by reference herein.

The issue price of the Notes is 100 per cent. of the aggregate principal amount of the Notes. From and including 23 November 2017 (the "**Issue Date**") to but excluding 23 May 2025 (the "**First Reset Date**"), interest accrues on the Notes at a rate of 3.750 per cent. per annum. From and including the First Reset Date to but excluding the Maturity Date (as defined below), the applicable per annum interest rate will be equal to the sum of the applicable Mid-Swap Rate on the Reset Determination Date and 1.589 per cent. **The interest rate following the First Reset Date may be less than the initial interest rate.** Interest will be payable semi-annually in arrear on 23 May and 23 November of each year (each an "**Interest Payment Date**"), commencing on 23 May 2018.

The Notes will be a Series of Tier 2 Capital Notes under the Programme and, therefore, will constitute direct, unsecured and subordinated obligations of the Issuer ranking *pari passu* without any preference among themselves. In the event of the winding up or administration of the Issuer, the claims of the Trustee (on behalf of the Noteholders but not the rights and claims of the Trustee in its personal capacity under the Trust Deed) and the holders of Tier 2 Capital Notes against the Issuer in respect of the Notes (including any damages or other amounts (if payable)) shall be subordinated in the manner provided in the Trust Deed to the claims of all Senior Creditors.

Unless previously redeemed or otherwise cancelled, the Notes will mature on 23 May 2030 (the "**Maturity Date**"). The Notes may be redeemed at the option of the Issuer in whole but not in part on 23 May 2025 at 100 per cent. of the outstanding principal amount of the Notes, together with any accrued but unpaid interest to (but excluding) the date fixed for redemption. Any such redemption will be subject to the PRA's and/or any other relevant national or European authority's prior consent (if such consent is then required by the Capital Regulations).

The Issuer may also redeem the Notes, in whole but not in part, at any time at 100 per cent. of their outstanding principal amount, together with any accrued but unpaid interest to (but excluding) the date fixed for redemption, upon the occurrence of certain tax events as described in Condition 10(b) (*Redemption for tax reasons*) or upon the occurrence of a Regulatory Event as described in Condition 10(f) (*Regulatory Event Redemption of Tier 2 Capital Notes*). Any such redemption will be subject to the PRA's and/or any other relevant national or European authority's prior consent (if such consent is then required by the Capital Regulations).

Restrictions on distribution

The distribution of this Prospectus and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer and the Joint Lead Managers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Prospectus and other offering material relating to the Notes, see "*Subscription and Sale*" below and "*Transfer Restrictions*" incorporated by reference herein.

The Notes have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. The Notes may not be offered

or sold within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes are being offered and sold in registered form and are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S. This Prospectus may not be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation.

IMPORTANT – PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended from 1 January 2018, to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Neither this Prospectus nor any of the documents incorporated herein by reference constitutes an offer or an invitation to subscribe for or purchase any Notes and are not intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Trustee or any of the Joint Lead Managers or any of them that any recipient of this Prospectus should subscribe for or purchase any Notes. Each recipient of this Prospectus shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

The Notes are complex financial instruments and such instruments may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risk of investing in the Notes and the information contained or incorporated by reference in this Prospectus;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes or where the currency for principal and interest payments is different from the currency in which such investor's financial activities are principally denominated;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent: (i) Notes are legal investments for it; (ii) Notes can be used as collateral for various types of borrowing; and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

Currency definitions

In this Prospectus, references to "SGD" or "S\$" are to the lawful currency for the time being of the Republic of Singapore.

Certain figures included in this Prospectus have been subject to rounding adjustments; accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures which precede them.

Stabilisation

In connection with the issue of the Notes, Barclays Bank PLC, Singapore Branch acting as the stabilising manager (the "Stabilising Manager") (or persons acting on behalf of the Stabilising Manager) may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the Notes and 60 days after the date of the allotment of the Notes. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager (or person(s) acting on behalf of any Stabilising Manager) in accordance with all applicable laws and rules.

FORWARD-LOOKING STATEMENTS

This Prospectus and certain documents incorporated by reference herein contain certain forward-looking statements within the meaning of Section 21E of the US Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act, with respect to the Issuer and its consolidated subsidiaries (the "Group"). The Issuer cautions readers that no forward-looking statement is a guarantee of future performance and that actual results or other financial condition or performance measures could differ materially from those contained in the forward-looking statements. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as "may", "will", "seek", "continue", "aim", "anticipate", "target", "projected", "expect", "estimate", "intend", "plan", "goal", "believe", "achieve" or other words of similar meaning. Examples of forward-looking statements include, among others, statements or guidance regarding or relating to the Group's future financial position, income growth, assets, impairment charges, provisions, notable items, business strategy, structural reform, capital, leverage and other regulatory ratios, payment of dividends (including dividend pay-out ratios and expected payment strategies), projected levels of growth in the banking and financial markets, projected costs or savings, any commitments and targets and the impact of any regulatory deconsolidation resulting from the sell down of the Group's interest in Barclays Africa Group Limited, estimates of capital expenditures and plans and objectives for future operations, projected employee numbers and other statements that are not historical fact.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances. These may be affected by changes in legislation, the development of standards and interpretations under International Financial Reporting Standards, evolving practices with regard to the interpretation and application of accounting and regulatory standards, the outcome of current and future legal proceedings and regulatory investigations, future levels of conduct provisions, future levels of notable items, the policies and actions of governmental and regulatory authorities, geopolitical risks and the impact of competition. In addition, factors including (but not limited to) the following may have an effect: capital, leverage and other regulatory rules (including with regard to the future structure of the Group) applicable to past, current and future periods; the United Kingdom ("UK"), the United States ("U.S."), Africa, Eurozone and global macroeconomic and business conditions; the effects of continued volatility in credit markets; market related risks such as changes in interest rates and foreign exchange rates; effects of changes in valuation of credit market exposures; changes in valuation of issued securities; volatility in capital markets; changes in credit ratings of any entities within the Group or any securities issued by such entities; the potential for one or more countries exiting the Eurozone; the implications of the exercise by the UK of Article 50 of the Treaty of Lisbon and the disruption that may result in the UK and globally from the withdrawal of the UK from the European Union and the success of future acquisitions, disposals and other strategic transactions. A number of these influences and factors are beyond the Group's control. As a result, the Group's actual future results, dividend payments, and capital and leverage ratios may differ materially from the plans, goals, expectations and guidance set forth in the Group's forward-looking statements. Additional risks and factors which may impact the Group's future financial condition and performance are identified in the Group's filings with the SEC (including, without limitation, in the Joint Annual Report (as defined in the "*Information Incorporated by Reference*" section below)), which is available on the SEC's website at <http://www.sec.gov>.

Subject to the Issuer's obligations under the applicable laws and regulations of the UK and the U.S. in relation to disclosure and ongoing information, the Issuer undertakes no obligation to update publicly or revise any forward looking statements, whether as a result of new information, future events or otherwise.

OTHER TAX CONSIDERATIONS

The section entitled "*Other Tax Considerations*" on page 97 of the Base Prospectus shall be incorporated into and form part of this Prospectus, as supplemented as set out below.

The section entitled "*Other Tax Considerations*" shall be supplemented to include the following sub-section relating to the Notes:

The following is a general description of certain Singapore tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Singapore or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. This summary is based upon the law as in effect on the date of this Prospectus and is subject to any change in law that may take effect after such date.

"Singapore Taxation

The statements below are general in nature and are based on certain aspects of current tax laws in Singapore and administrative guidelines and circulars issued by the IRAS, the Monetary Authority of Singapore ("MAS") and other relevant authorities in force as at the date of this Prospectus and are subject to any changes in such laws, administrative guidelines or circulars, or the interpretation of those laws, administrative guidelines or circulars occurring after such date, which changes could be made on a retroactive basis. These laws, administrative guidelines and circulars are also subject to various interpretations and the relevant tax authorities or the courts could later disagree with the explanations or conclusions set out below. Neither these statements nor any other statements in this Prospectus are intended or are to be regarded as advice on the tax position of any holder of the Notes or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. The statements should not be regarded as advice on the tax position of any person and should be treated with appropriate caution. Prospective holders and holders of the Notes are advised to consult their own professional tax advisers as to the Singapore or other tax consequences of the acquisition, ownership of or disposal of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasised that none of the Issuer, the Arranger, the Joint Lead Managers and any other persons involved in the issuance of the Notes accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

Interest and Other Payments

Subject to the following paragraphs, under Section 12(6) of the ITA, the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld

for such payments (other than those subject to the 15 per cent. final withholding tax described below) to non-resident persons (other than non-resident individuals) is currently 17 per cent. The applicable rate for non-resident individuals is currently 22 per cent. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15 per cent. The rate of 15 per cent. may be reduced by applicable tax treaties.

Certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium or break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession.

In addition, as more than half of the issue of the Notes are distributed by Barclays Bank PLC, Singapore Branch, DBS Bank Ltd., Oversea-Chinese Banking Corporation Limited, Standard Chartered Bank, Singapore Branch and United Overseas Bank Limited, each of which is an Financial Sector Incentive (Capital Market) Company (as defined in the ITA), Financial Sector Incentive (Standard Tier) Company (as defined in the ITA) and/or Financial Sector Incentive (Bond Market) Company (as defined in the ITA) at such time, and the Notes are issued as debt securities prior to 31 December 2018, the Notes would be QDS for the purposes of the ITA, to which the following treatments shall apply:

- (a) subject to certain prescribed conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the relevant authorities may direct, of a return on debt securities for the Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Notes as the relevant authorities may require to MAS and such other relevant authorities as may be prescribed, and the inclusion by the Issuer in all offering documents relating to the Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Notes using funds and profits of that person's operations through the permanent establishment in Singapore), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the "**Qualifying Income**") from the Notes, paid by the Issuer and derived by a holder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Notes are not obtained from such person's operation through a permanent establishment in Singapore, are exempt from Singapore tax;
- (b) subject to certain conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the relevant authorities may direct, of a return on debt securities for the Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed), Qualifying Income from the Notes paid by the Issuer and derived by any company or body of persons (as defined in the ITA) in Singapore is subject to tax at a concessionary rate of 10 per cent. (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and

- (c) subject to:
- (aa) the Issuer including, in all offering documents relating to the Notes, a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax shall include such income in a return of income made under the ITA; and
 - (bb) the furnishing by the Issuer, or such other person as the relevant authorities may direct, of a return on debt securities for the Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Notes as the relevant authorities may require to MAS and such other relevant authorities as may be prescribed,

payments of Qualifying Income derived from the Notes are not subject to withholding of tax by the Issuer.

Notwithstanding the foregoing:

- (a) if during the primary launch of the Notes, the Notes are issued to fewer than four persons and 50 per cent. or more of the issue of the Notes are beneficially held or funded, directly or indirectly, by related parties of the Issuer, the Notes would not qualify as QDS; and
- (b) even though the Notes are QDS, if 50 per cent. or more of the issue of the Notes which are outstanding at any time during the life of their issue is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income derived from the Notes held by:
 - (i) any related party(ies) of the Issuer; or
 - (ii) any other person where the funds used by such person to acquire the Notes are obtained, directly or indirectly, from any related party(ies) of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term "**related party**", in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms "**prepayment fee**", "**redemption premium**" and "**break cost**" are defined in the ITA as follows:

"**prepayment fee**", in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities;

"**redemption premium**", in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity; and

"**break cost**", in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption.

References to "prepayment fee", "redemption premium" and "break cost" in this Singapore tax disclosure have the same meaning as defined in the ITA.

All foreign-sourced income received in Singapore on or after 1 January 2004 by Singapore tax-resident individuals will be exempt from income tax, provided such foreign-sourced income is not received through a partnership in Singapore.

Where interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) is derived from the Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for

QDS under the ITA shall not apply if such person acquires such Notes using the funds and profits of such person's operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) derived from the Notes is not exempt from tax is required to include such income in a return of income made under the ITA.

Capital Gains

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Noteholders who apply or are required to apply Singapore Financial Reporting Standard 39 – Financial Instruments: Recognition and Measurement ("**FRS 39**") may, for Singapore income tax purposes, be required to recognize gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal. Please see the section below on "Adoption of FRS 39 Treatment for Singapore Income Tax Purposes".

Adoption of FRS 39 Treatment for Singapore Income Tax Purposes

The IRAS has issued a circular entitled "Income Tax Implications Arising from the Adoption of FRS 39- Financial Instruments: Recognition and Measurement" (the "**FRS 39 Circular**"). Legislative amendments to give effect to the FRS 39 Circular have been enacted in Section 34A of the ITA.

The FRS 39 Circular and Section 34A of the ITA generally apply, subject to certain "opt-out" provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Noteholders and prospective Noteholders who may be subject to the tax treatment under the FRS 39 Circular and Section 34A of the ITA should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

The Accounting Standards Council has issued a new financial reporting standard for financial instruments, FRS 109 – Financial Instruments which will become mandatorily effective for annual periods beginning on or after 1 January 2018. It is at present unclear whether, and to what extent, the replacement of FRS 39 by FRS 109 will affect the tax treatment of financial instruments which currently follows FRS 39. Noteholders and prospective Noteholders should consult their own accounting and tax advisers on the proposed tax treatment to understand the implications and consequences that may be applicable to them.

Estate Duty

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008."
