Barclays Bank Ireland PLC

Pillar 3 Terms and Conditions of Own Funds and Eligible Liabilities

31 December 2023

Supplement to the Barclays Bank Ireland PLC Full Year Pillar 3 Report 2023

Introductory notes

This worksheet complements the Barclays Bank Ireland PLC ("BBI" or the "Bank") Full Year Pillar 3 Report 2023, available from home.barclays/investor-relations/.

The information disclosed in this report is prepared in accordance with the Capital Requirements Regulation and Capital Requirements Directive (CRR and CRD, also known as the 'CRD V legislative package'). On 27 June 2019, CRR II came into force, amending CRR. As an amending regulation, the existing provisions of CRR apply unless they are amended by CRR II.

The Pillar 3 disclosures have also been prepared in accordance with the European Banking Authority (EBA) "Guidelines on materiality, proprietary and confidentiality and on disclosure frequency under Articles 432(1), 432(2) and 433 of CRR" and Commission Implementing Regulation (EU) 2021/637.

The disclosures reflect the Bank's interpretation of the current rules and guidance. The abbreviation '£m' represent millions of Euros. There are a number of key judgement areas, for example impairment calculations, which are based on models and which are subject to ongoing adjustment and modifications. Reported numbers reflect best estimates and judgements at the given point in time. Relevant terms that are used in this document but are not defined under applicable regulatory guidance or International Financial Reporting Standards (IFRS) are explained in the Barclays Group results glossary that can be accessed at home.barclays/investor-relations/reports-and-events/annual-reports/.

Forward-looking statements

This document contains certain forward-looking statements with respect to the Bank.

The Bank cautions readers that no forward-looking statement is a guarantee of future performance and that actual results or other financial condition or performance measures could differ materially from those contained in the forward-looking statements. Forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as 'may', 'will', 'seek', 'continue', 'aim', 'anticipate', 'target', 'projected', 'expect', 'estimate', 'intend', 'plan', 'goal', 'believe', 'achieve' or other words of similar meaning.

Forward looking statements can be made in writing but also may be made verbally by directors, officers and employees of the Bank (including during management presentations) in connection with this document. Examples of forward-looking statements include, among others, statements or guidance regarding or relating to the Bank's future financial position, business strategy, income levels, costs, assets and liabilities, impairment charges, provisions, capital, leverage and other regulatory ratios, capital distributions (including policy on dividends and share buybacks), return on tangible equity, projected levels of growth in banking and financial markets, industry trends, any commitments and targets (including environmental, social and governance ('ESG') commitments and targets), plans and objectives for future operations and other statements that are not historical or current facts.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances. Forward-looking statements speak only as at the date on which they are made. Forward-looking statements may be affected by a number of factors, including, without limitation: changes in legislation, regulations, governmental and regulatory policies, expectations and actions, voluntary codes of practices and the interpretation thereof, changes in IFRS and other accounting standards, including practices with regard to the interpretation and application thereof and emerging and developing ESG reporting standards; the outcome of current and future legal proceedings and regulatory investigations; the Bank's ability along with governments and other stakeholders to measure, manage and mitigate the impacts of climate change effectively; environmental, social and geopolitical risks and incidents, pandemics and similar events beyond the Bank's control; the impact of competition in the banking and financial services industry; capital, liquidity, leverage and other regulatory rules and requirements applicable to past, current and future periods; Eurozone and global macroeconomic and business conditions, including inflation; volatility in credit and capital markets; market related risks such as changes in interest rates and foreign exchange rates; reforms to benchmark interest rates and indices; higher or lower asset valuations; changes in credit ratings of the Bank or any securities issued by it; changes in counterparty risk; changes in consumer behaviour; the direct and indirect consequences of the conflicts in Ukraine and the Middle East on European and global macroeconomic conditions, political stability and financial markets; political elections; developments in the UK's relationship with the European Union ("EU"); the risk of cyberattacks, information or security breaches, technology failures or other operational disruptions and any subsequent impacts on the Bank's reputation, business or op

Subject to Barclays Bank Ireland PLC's obligations under the applicable laws and regulations of any relevant jurisdiction (including, without limitation, Ireland), in relation to disclosure and ongoing information, we undertake no obligation to update publicly or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
