1. In response to the ongoing Covid-19 situation in the UK, the FCA confirmed on 9 April 2020 that credit card customers who are impacted financially by Covid-19 should be offered a payment deferral for up to three months. Where customers have made a successful application, unless such customers were already in forbearance, they are not considered to be in a payment shortfall and therefore any such missed payments will not be considered as arrears for the purposes of investor reporting. Neither will they be reported as having been subject to any form of restructuring or forbearance due to such Covid-19 payment holiday alone. More general information on the scheme can be found on the FCA website at <https://www.fca.org.uk/news/press-releases/fca-confirms-temporary-financial-relief-customers-impacted-coronavirus>. On 1 July 2020, the FCA confirmed further support for credit card customers <https://www.fca.org.uk/news/press-releases/fca-confirms-further-support-consumer-credit-customers>. This further support will apply until 31 October 2020 and in certain circumstances will continue to apply after that date. On 30 September 2020, the FCA confirmed further measures for credit card customers which came into force on 2 October 2020 <https://www.fca.org.uk/news/press-releases/fca-confirms-next-stage-support-consumer-credit-and-overdraft-customers>. On 4 November 2020, the FCA confirmed additional measures and guidance extending the existing support for credit card customers which came into force on 25 November 2020 <https://www.fca.org.uk/publications/finished-guidance/consumer-credit-and-coronavirus-updated-guidance-firms>.
