

Barclays Bank PLC
(the "Issuer")

Notice to the holders of
EUR 1,400,000,000 4.75 per cent. Non-Cumulative Callable Preference Shares
(ISIN: XS0214398199; Common Code 021439819)
of which EUR 318,560,000 remain outstanding
(the "Holders" and the "Preference Shares", respectively)

The Issuer hereby informs Holders that it is not exercising its option to redeem the Preference Shares on 15 March 2020, the first available redemption date for the Preference Shares.

As indicated on 15 May 2014 in the announcement relating to an exchange offer in relation to the Preference Shares, any decision made by the Issuer as to the exercise of any early redemption call with respect to the Preference Shares will be made with reference to the economic impact to the Barclays Group of such early redemption, prevailing market conditions and regulatory developments. At this present time, the Issuer has determined that the case for the early redemption of the Preference Shares is not supported when considering all these factors.

The Preference Shares remain redeemable at the option of the Issuer on any quarterly Dividend Payment Date (as defined in the terms and conditions of the Preference Shares) and the Issuer will continue to consider the above-mentioned factors when making any decision to redeem the Preference Shares. The Issuer will only notify Holders if it elects to exercise its redemption option in accordance with the terms and conditions of the Preference Shares.
