

10 December 2021

Stuart Frith
Director
Barclays PLC
1 Churchill Place
London E14 5HP

Dear Stuart,

Re: Confirmation of post-issuance certification under the Climate Bonds Standard

I'm very pleased to inform you that on 10 December 2021, the Climate Bonds Standard Board approved the post-issuance certification of the Barclays 2020 Green Bond (the bond), as per the application documents and verification report provided by Barclays PLC. That certification came into force once the bond was placed on offer.

Members of the Climate Bonds Standard Board are:

- California State Teachers Retirement Service (CalSTRS) represented by Paul Shantic, Co-Director of Fixed Income.
- California State Treasurer John Chiang, represented by Tim Schaefer, California State Deputy Treasurer.
- Institutional Investors Group on Climate Change (IIGCC), represented by Eric Borremans.
- The International Cooperative and Mutual Insurance Federation represented by Shaun Tarbuck.
- Investor Group on Climate Change represented by Andrew Major of HESTA.
- Investor Network on Climate Risk, represented by Peter Ellsworth.
- The Natural Resources Defense Council, represented by Douglas Sims.

I also confirm that the text of the Certification Agreement between the Climate Bonds Standard Board and Barclays PLC has been agreed, including ongoing obligations for regular reporting to the Climate Bonds Standard Board.

Accordingly I confirm that Barclays PLC may use the "Climate Bonds Certified" logo in its information materials about the bond, and we will ensure the bond is identified as a Climate Bond in all listings we manage. Attached for your reference is a guide to usage of the "Certified Climate Bond" logo.

Congratulations and best wishes,

Sean Kidney
Chair, Climate Bond Standards Board
CEO, Climate Bonds Initiative
