

## Terms and Conditions

Barclays e-view is transferring to our Registrar, Equiniti's, Shareview service that will provide shareholders with additional functionality. The Shareview service is provided under [new Terms and Conditions which are available here](#). You should read these carefully. Please note that only material changes are highlighted below and this does not remove the need to review the Shareview Terms and Conditions in their entirety (see link above). If you have any questions, please call our Registrar for further information on 0871 384 2055\* in the UK or +44 (0) 121 415 7004 from overseas.

## Material changes to your current Terms and Conditions

### Breaching a Term (Clause 14)

This states that you must compensate Equiniti for any loss as a result of breaching any term of the agreement.

### Website advertising (Clause 19)

This explains that advertising on the Shareview Portfolio service is not restricted by the marketing preference set by the user. If you do not wish to receive advertisements in your Shareview Portfolio, you should cease using it by following the procedure set out in Clause 15.

### Transferring our obligations (Clause 21)

This explains that if we transfer our obligation to another company, you agree to this as part of the Terms and Conditions. This also gives detail of how you will be informed and how to end the agreement.

## Other changes

### General

Equiniti uses these Terms and Conditions for a number of services it provides and these services are referenced throughout this document. These are not applicable to you.

### Third party services (Clause 1 and 20.7)

Should you wish to access third party services offered in Shareview Portfolio you agree to us providing these third parties with your personal information and you will be required to agree to additional terms and conditions (including the Privacy Policy) between you and the third party. Such terms and conditions shall be shown and made available to you either at the time of using such features or beforehand.

### Access from outside the UK (Clause 2.3)

This clarifies your responsibilities for complying with local laws when accessing the website from outside the UK.

### Investments held elsewhere (Clause 5)

This is a feature of Shareview Portfolio where you can add other investments where you are not the first-named holder or where Equiniti is not the Registrar.

### Ending your use of the Shareview Service (Clause 15.1)

There is a different address to send a request to cancel use of Shareview Portfolio.

### References to Registrar (Clause 23, final paragraph)

This details the wider scope of Equiniti's service provision but has no material impact to Barclays shareholders.
