

Tax compliance – international exchange of information agreement

Controlling Person self-certification form

Tax regulations¹ require the collection of certain information about each account holder's tax residency and citizenship status.

This form is designed to capture the citizenship and residency for tax purposes of the person entitled to the income and assets associated with an account (the Controlling Person). Should you be completing this form on behalf of the Controlling Person, you should complete the form using information relating to their citizenship and residence for tax purposes rather than your own.

Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be resident elsewhere or resident in more than one country at the same time (dual residency).

Please complete, where applicable, the relevant sections below in relation to all relevant accounts and provide any additional information as may be required. Please be advised that in certain circumstances we may be required to share this information with relevant tax authorities. This form is intended to request information only where such request is not prohibited by local law.

For joint or multiple account holders, please use a separate form for each Controlling Person.

Do not use this form if you are an entity, nominee or other intermediary. Instead you should complete and provide the appropriate Self-Certification form.

If you have any questions about how to complete this form, please contact your tax adviser.
