

## BARCLAYS CAPITAL ASIA HOLDINGS LIMITED

### STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

#### Section 172(1) statement

The Directors have acted in a way that they considered, in good faith, to be most likely to promote the success of Barclays Capital Asia Holdings Limited (the 'Company') for the benefit of its sole member, and in doing so had regard, amongst other matters, to:

- the likely consequences of any decision in the long term;
- the need to foster the Company's business relationships with suppliers, customers and others;
- the impact of the Company's operations on the community and the environment;
- the desirability of the Company's maintaining a reputation for high standards of business conduct; and
- to act fairly between members of the Company.

The Directors also took into account the views and interests of a wider set of stakeholders, including our regulator, the Government, and non-government organisations.

Considering this broad range of interests is an important part of the way the Board makes decisions; however, in balancing those different perspectives it won't always be possible to deliver everyone's desired outcome.

How does the board engage with stakeholders?

The Board will sometimes engage directly with certain stakeholders on certain issues, but the size and distribution of our stakeholders and of Barclays means that stakeholder engagement often takes place at an operational level.

In addition, to ensure a more efficient and effective approach, certain stakeholder engagement is led at Barclays Group level, in particular where matters are of group-wide significance or have the potential to impact the reputation of the Barclays Group.

The Board considers and discusses information from across the organisation to help it understand the impact of Barclays' operations, and the interests and views of our key stakeholders. It also reviews strategy, financial and operational performance, as well as information covering areas such as key risks, and legal and regulatory compliance. This information is provided to the board through reports sent in advance of each board meeting, and through in-person presentations.

As a result of these activities, the board has an overview of engagement with stakeholders, and other relevant factors, which enables the Directors to comply with their legal duty under section 172 of the Companies Act 2006.

This report was approved by the Board on 13 September 2022 and signed on its behalf.
